# **Tracking Chinese Influence in the UK**

Project Title	Tracking Chinese Influence in the UK
Project Summary	Conduct research and produce a monthly tracker that samples the Chinese state's efforts to gain influence in the UK - e.g. new university partnerships, local government exchange visits, investments in critical national infrastructure, and new partnerships in fintech, renewables, and emerging tech.
Country	UK
Country/Region of Focus	China

### **Project Description**

This project is part of a broader effort to understand and counter Chinese malign influence. It is preferable for the intern to speak and read Mandarin, as it would be valuable to understand how the Chinese state and companies portray the UK government and markets.
